I am an Italian web developer living in America for 7 years. I have a passion to teach and learn new technologies and languages so I started a YouTube channel which has 542k subscribers and 4K+ video views. "Web Developer" is my first book series published by Packt Publishing. It has been launched on the 20th October 2016 and the latest book is now available for download on this site. It is a series of four books: "Competence 1: HTML5, CSS3 and JavaScript", "Competence 2: Modern Web Development Tools and Technologies", and the last two titles, "Competence 3: Responsive Web Design" and "Competence 4: Advanced Web Applications". - | Book 1 : Competence 1 : HTML5, CSS3 and JavaScript - | Book 2 : Competence 2 : Modern Web Development Tools and Technologies - | Book 3 : Competence 3 : Responsive Web Design - | Book 4 : Competence 4 : Advanced Web Applications. In addition to the e-book I'm also publishing a paper version but it's only available in Italian at this stage. ----- Inglese - English ----- I'm Cristina Bonardi, an Italian Web Developer living in America for 7 years.
